### PRESIDENT'S MESSAGE --

When I began my term as president of the Yamhill County Historical society, I felt very unqualified to fill the office after being a member for only about a year and a half. But I look back on my first year as quite satisfying. I didn't know all I should have about being the president. I did blunder and make mistakes but thanks to all of you for encouragement and cooperation and help in many ways, we did make some accomplishments. I am particularly pleased that we got the OLD YAMHILL book republished and we have more money in the bank at the end of this year than we had last year. Also, we have picked up some more active, new members. (Regrettably we have lost some dedicated older members.) . . . We had a fun picnic in the summer and a couple interesting field trips. We celebrated the 20th anniversary of the founding of the Museum and saw more than 100 people pass through the museum that day. The place was looking its best after a good, thorough cleaning and polishing by a bunch of willing volunteers. We've had good publicity, thanks to our publicity chairman, Elaine Rohse. George Williams handled volunteers and had good response from them to keep the Museum open during the summer months, and weekends in the winter. We've had some very interesting programs at our monthly meetings, thanks to program chairman, Barbara Knudson. I am most grateful to all officers, directors and members for making this a good year. And with the help of all of you, I am looking forward to an even better year ahead.

HAPPY NEW YEAR, EVERYBODY!

Maxine Williams
