COME, bring one or more prospective members, and some good Yamhill eats! Were you among the absent at the September meeting? We missed you. Maybe the typographical error of date was to blame, if so, we are sorry.

URGENT REQUEST

The woman-in-black who "borrowed" Laurence Schrieber's Whitman volume at the May meeting and failed to leave her name and address is urged to return the book at once either to Mr. Schrieber or the Museum Library. Anyone knowing anything about the whereabouts of this valuable book will kindly inform the owner.

CENTENNIAL CANOEING LUNCHEON

At the request of the State Historical Society, a committee under the chairmanship of Mrs. Roma Sitton will arrange for a warm luncheon on October 7 for a party of canoeists at the Yamhill Locks Park. The group will be completing a two-day trip down the Willamette. Anyone who will serve on the committee will kindly contact Mrs. Sitton.

We had a work afternoon. Hung the two big clocks, moved the oil painting, hung a new fire extinguisher and a bracket lamp. Moved some plywood sheets, thanks to Mr. Hall. and Mr. Amodt. The new roof does not leak, had a good test. Mr. Elton Jones painted the dark unpainted strip, thanks Elton. We have new shades and curtains at our kitchen windows, looks nice. Marie and I are taking a vacation to Reno. Roma Sitton
