MUSEUM NEWS

Don't forget to return to us one copy of your donations mailed you earlier. We need them in our file. We still want doll parts and pieces. Can anyone locate a fireproff safe?

We were short of news sheets last month and all of Newbergs seem to have been lost in the mail. We sure sent them -- sorry.

We are having quite a few visitors who say gas doesn't let them travel far. Some walk in. Have ordered more donation land claim maps. Hope they come soon. Six orders are on the book. We have a large collection of photos from Mr. Gabriel of Portland who grew up in Dayton.

Two memorial school 4th grade classes will visit the Museum April 4th. I plan to let them grind coffee and grate nutmegs and peel apples. (My Utensils) I demonstrate with
