MUSEUM NEWS

We have several donations again this month. A set of Wagon Bows. Hope they can be used in our float.

A fire alarm system is installed. We can use some help in cleaning and planting the yard as the Womens Club finished with their program.

We need to meet earlier as there are many things that needs to be discussed before the group, as it is your museum and all need to help.

We have \$55.00 from the White Elephant sales, thanks for the help, we had one \$10.00 donation and one \$5.00. There will be two meetings before vacation time so don't forget WHITE ELEPHANT TABLE. In May we will know what hours we will keep open this tourist season. We are to have a part in the State Fair booth, and Lafayette and McMinnville programs for the Centennial celebration.
