LOCATION: American Legion Hall, corner of Bridge and Yamhill Streets,
Sheridan, Oregon
POTLUCK: Bring your own service
PROGRAM: History of the Sheridan area

MUSEUM NEWS

I want to thank all those who helped keep our doors open during the tourist season. We are now back to Saturday and Sunday 1:00 to 4:00 p.m..

We need some work done in the machinery department. Also we hope to find a use for the 700 bricks from the old courthouse. That will make some more space for new articles. Some wood tools have been infested with weevils and need to be cleaned and treated. Several boxes of tools have been received recently.

Mrs. Kenneth Riley of Rose Lodge have donated a very old grandfather clock. She brought it from the east and all the history is included. Many thanks to Mrs. Riley. Thanks also to Harvey and Ruth Stoller for going to Rose Lodge to get the clock.

The yard has been clipped regularly and looks much improved. After the story in the News Register, book sales have picked up. I mailed four a few days after the article was printed to people who had school days in a country school. Thanks to Elaine Rohse for the article.

If your club or organization would like a special appointment at the museum, please don't hesitate to call. 472-7935
